

Checking of Certified Copies

Dear Student Friends,

I keep receiving the requests from various students to check their ICAI certified copies and suggest the improvement plan. Though this request is genuine and valid, I am unable to do justice with it due to my busy schedule.

This work consumes a lot of time because, it involves : (a) checking of whole answer paper again (b) offering question wise comments and (c) communication with students about the improvement plan.

Instead of doing the work badly, I believe to get it done from those who are expert in their respective fields. Hence, I have done a tie up with a faculty who is involved in conducting test series for CA students.

Now you have the following two options :

- (1) You may wait for ICAI suggested answer and then compare your answer to find out the errors on your own.

OR

- (2) You may get it checked from another faculty to know the errors. I am providing you the contact details of one such faculty based in Pune. This faculty will help you out for a nominal fees.

You can send your certified copies on :

Email : admin@ssmpune.com

Contact No. : 7057803690
